

## Implementation Schedule and Timeline: From Launch to Showcase

Week	Focus	Description
Week 1	Kickoff & Vision	Introduce the innovation, purpose, expectations, and overall PL goals.
Week 2	Modeling	Demonstrate QR routines, transitions, and blended learning structures in action.
Week 3	Hands-On Practice	Teachers explore tools, attempt routines, and practice workflows in a supported setting.
Week 4	Go & Show Cycle 1	First round of classroom evidence collection; teachers share early implementation results.
Week 5	Coaching & Reflection	Team-based reflection and feedback session; teachers refine routines and troubleshoot challenges.
Week 6	Go & Show Cycle 2	Second round of evidence and classroom application to deepen consistency and independence.
Week 7	Refinement	Teachers adjust, strengthen, and personalize routines based on evidence and coaching.
Week 8	Showcase & Next Steps	Final sharing of outcomes, celebrations, and planning for continued implementation.

## 8-Week Implementation Timeline

### Week 1 – Kickoff & Vision

- Introduce purpose, expectations, and the overall innovation goals.

### Week 2 – Modeling

- Demonstrations of QR routines, transitions, and blended learning structures.

### Week 3 – Hands-On Practice

- Teachers explore tools and practice workflows with guided support.

### Week 4 – Go & Show Cycle 1

- Teachers submit classroom evidence and reflect on early implementation.

### Week 5 – Coaching & Reflection

- Collaborative feedback and adjustments to improve routines.

### Week 6 – Go & Show Cycle 2

- Second round of evidence collection and deeper application.

### Week 7 – Refinement

- Strengthening consistency and personalizing routines based on results.

### Week 8 – Showcase & Next Steps

- Celebrations, shared learning, and planning for continued implementation.
